# B1

Decade  
LIMITED EDITION

The new Limited Edition Oval B1 Decade embodies everything we've learned, refined and developed over the past 10 years.

## Oval B1 Decade Hear what a difference 10 years make

The Oval B1 Decade is the latest addition to the Vivid Audio loudspeaker family. The culmination of 10 years' R&D, it represents another huge step forward in progressive design and sound quality. The Oval B1 Decade's distinctive shape minimises diffraction and reduces internal standing waves for a clearer sound: the carbon-fibre-loaded polyester enclosure helps eliminate structural resonance.

Drawing on technology from our revolutionary Giya series, it also benefits from new drivers and filters that take mid-range and upper-register performance to a totally new level. In a market still dominated by square cabinet speakers, the Oval B1 Decade stands out as a perfect example of form truly following function.

### Specification

Configuration	3 and 1/2 way vented cabinet
Cabinet material	Balsa-cored quadraxial glass composite sandwich
Cabinet colour	As standard: Pearl white; Piano black <b>Bespoke colour options available on request</b>
Base and pedestal	Fibre-loaded polymer complex
Finish	High gloss automotive
Drive units	HF: D26 – 26mm metal dome unit with tapered tube loading Mid: D50 – 50mm metal dome unit with tapered tube loading Bass: C125 – 2 x 125mm metal coned unit (coupled) New topology rare-earth magnet design
First D26 break-up model	44,000Hz
Sensitivity	89dB @ 2.83Vrms at 1.0 meter on axis
Nominal impedance ( $\Omega$ )	4
Frequency range (Hz)	- 6dB points: 34 - 36,000Hz
Frequency response	38 - 33,000Hz +/- 2dB on reference axis
Harmonic distortion (2nd and 3rd harmonics)	< 0.5% over frequency range
Cross over frequencies (Hz)	130, 900, 3500
Power handling (music program) watts rms	300
Loudspeaker dimensions	1095mm (H) x 265mm (W) x 375mm (D); Base: 420mm (D)
Net weight	36kg
Shipping dimensions	1250mm (H) x 430mm (W) x 530mm (D)
Shipping weight (unit)	00kg
